My mind was throbbing (it was on my brain) Her love like drugs in my bloodstream Water you down, covering you with ice You can't get on any regular flight I said my niggas i don't want any advice taking this risk, Niggas bones try to just say that fucking my bitch They really love to hate me, they just who Am I putting that glow on my face, Dr. Miami waist she say that love is a race hit the brakes, slow down the pace I feel like I'm writing a letter, I have so much to say Take you around this gangsta, I don't do it to scare this love cycle (rolling round) When I first met, I shot her with a rifle (straight clouds) I'm a thug, so it's hard for her wife (hard to cuff her) Stamp like a brick so i don't need the title (to go with the flow when official, baby) love cycle, love cycle (love cycle) I've been changing my ways, I get lost in the days I'm in the love cycle(cycle), love cycle (love cycle) We communicate better, now on the same page In this love cycle I think we understand now (now) You were holding the back, made quickly let it (spill) He's not it that's not that let bitches run their mouths (\*ck 'em) They're watching yo snap (they've tuned in) Make sure they let 'em see you cashing out (bands) I did by some, but she'll say that by worse when we're alone and intimate, she gon 'catch it when I burst Told her I'm cumming when she ride me,' she replied : I got there first I'ma claim that as I have this home advantage, it's my turf (touchdown) I can't hear you what you say? How long will you be in the studio? I'm supposed to be here lil minutes You know I'm working on an album I'm not going anywhere I'm going to heart that love cycle (rolling round) When I first met her, I shot her with a rifle (straight clouds) I'm a thug, so it's hard for her wife (hard to cuff her) stamp like a brick, so I don't need a title (to go with the flow when i official, baby) love cycle, love cycle (love cycle) I've been changing my ways , getting lost in the days I am in the cycle of love (cycle), love cycle (love cycle) We communicate better, now on the same page In this cycle of love cycle
